**NEVER CRAWL IN YOUR
TRUCK BED AGAIN**

E-TRACK & HEX HOLE TIE DOWN POINTS

A variety of tie down points make it easy to secure your cargo.

*E-Track on XT1200 only

SAFETY STAB LOCKS

Always be in control. Release the pull handle to stop the Truckslide every 10 inches.

ALUMINUM TRAY

Built with 5052 aluminum that is guaranteed for life with zero weak points.

T-BONE TRACK SYSTEM

Built upon 10 gauge steel tracks, the Truckslide can withstand heavy duty applications, with weight ratings up to 4000lbs.

WORK SMARTER

Perfect for camping or construction,
hunting or home improvements.
You can trust a Truckslide.

IT'S HOW WE BUILD IT

Since 1980, Highway
Products has been
building the highest
